Her education was meticulous, covering languages, religion, politics, and courtly manners, reflecting the Renaissance ideals of a well-rounded monarch.

Ascension and Regency

In 1542, following her father's death, Mary was proclaimed Queen of Scotland. Due to her young age, her mother, Mary of Guise, served as regent. Reign in France and Return to Scotland

Queen Consort of France

Mary's marriage to Francis II in 1558 elevated her status to that of Queen of France. She was well-loved at the French court, which was a hub of Renaissance culture and political diplomacy.
