This article provides a comprehensive analysis of the Setswana HL P2 program within Gauteng's Department of Education, exploring its objectives, implementation, challenges, and broader implications for language policy and education in South Africa.

Introduction: The Significance of Setswana in Gauteng's Educational Landscape

South Africa's rich tapestry of languages reflects its complex history, diverse cultures, and ongoing

efforts toward linguistic inclusivity. Setswana, also known as Tswana, is one of the eleven official languages of South Africa, predominantly spoken in the North West Province and parts of Gauteng. Historically, however, Setswana has faced challenges in terms of visibility and institutional support within regions like Gauteng, which is often characterized as a melting pot of various languages.

The inclusion of Setswana HL P2 (Home Language Phase 2) in Gauteng's Department of Education curriculum signifies an important step toward acknowledging and promoting linguistic diversity. It aims to foster cultural pride, facilitate effective communication, and uphold the rights of learners to access education in their mother tongue, aligning with South Africa's constitution and language policies.

For Setswana HL P2, this generally pertains to learners in early grades—such as Grade R or Grade 1—who are being introduced to foundational literacy, oral communication, and cultural understanding in Setswana.
