Sample Review Attestation Engagement Letter: A Comprehensive Guide for Accountants and Auditors

In the realm of financial reporting, clarity and professionalism are paramount. Whether you are a seasoned accountant or a budding auditor, understanding the nuances of engagement letters is essential to establishing clear expectations and safeguarding your practice. One of the critical documents in this process is the sample review attestation engagement letter. This letter serves as a formal agreement between the practitioner and the client, outlining the scope, responsibilities, and

limitations of the review engagement. In this article, we delve into the essentials of a review engagement letter, explore its structure, and provide insights into crafting an effective sample that aligns with professional standards.

What Is a Review Attestation Engagement Letter?

A review attestation engagement letter is a written agreement that confirms the terms under which an accountant or auditor will perform a review of financial statements. Unlike an audit, which provides a higher level of assurance, a review offers limited assurance that nothing has come to attention indicating the financial statements are not prepared, in all material respects, in accordance with the applicable financial reporting framework.

Key Characteristics:

- Scope Definition: Clearly specifies what the review entails.
- Limited Assurance: Emphasizes that the engagement provides only limited assurance.
- Legal and Professional Clarity: Protects both practitioner and client by setting expectations.
- Basis for Work: Guides the review process and documentation.

The Importance of an Effective Engagement Letter

An engagement letter is more than just a formality; it is a foundational document that minimizes misunderstandings and disputes. For review engagements, it ensures that both parties agree on:

- The nature and extent of procedures performed.
- The responsibilities of management and the practitioner.
- The limitations inherent to a review.
- The timing and deliverables of the engagement.

Without a clear and comprehensive engagement letter, practitioners risk exposure to legal liabilities, scope creep, or misinterpretation of their role.

Core Components of a Sample Review Attestation Engagement Letter

A well-structured review engagement letter should contain several key elements, each serving a specific purpose. Below, we break down these components with detailed explanations.

- Header and Introduction

This section identifies the document as an engagement letter and states the parties involved.

Example:

?This letter confirms our understanding of the review engagement to be performed by [Practitioner's Name or Firm] for [Client Name] for the year ending [Date].?

Purpose: Sets the context and formalizes the agreement.

- Objective of the Engagement

Clearly articulate the purpose of the review.

Example:

?The objective of our review is to provide limited assurance that there are no material modifications that should be made to the financial statements for them to be in conformity with [Applicable Framework].?

Purpose: Ensures both parties understand the nature and scope.

- Scope of the Review

Define what procedures will be performed and what is excluded.

Typical language:

?Our review will consist primarily of inquiries and analytical procedures. We will not perform an audit or comprehensive review of internal controls.?

Inclusions:

- Analytical procedures
- Inquiries of management
- Review of documentation

Exclusions:

- Testing of internal controls
- Detailed verification of assets and liabilities

Purpose: Avoids misunderstandings about the level of assurance.

- Responsibilities of Management

States management's role in preparing the financial statements.

Example:

Management is responsible for the preparation and fair presentation of the financial statements in accordance with [Framework], and for designing, implementing, and maintaining internal controls relevant to the preparation of the financial statements.

Purpose: Clarifies that the practitioner relies on management's representations.

- Responsibilities of the Practitioner

Details what the practitioner will do.

Example:

Our responsibility is to conduct the review in accordance with [Applicable Standards], which require us to plan and perform the review to obtain limited assurance that the financial statements are free of material misstatement.

Purpose: Establishes professional standards and scope.

- Limitations of the Review

Highlights the inherent limitations.

Example:

A review is substantially less in scope than an audit and, therefore, provides only limited assurance. We will not assess internal controls or verify individual transactions, and we do not express an opinion on the financial statements.

Purpose: Manages client expectations and legal liability.

- Deliverables and Timing

Specify what will be delivered and when.

Example:

?We will provide a report expressing limited assurance on the financial statements by [Date].?

Purpose: Sets deadlines and clarifies deliverables.

- Fees and Payment Terms

Outline the fee structure and billing arrangements.

Example:

?Our fees for this engagement will be based on the time spent at our standard hourly rates, plus out-of-pocket expenses. Payment is due upon receipt of our invoice.?

Purpose: Ensures transparency and agreement on compensation.

- Amendments and Termination

Conditions under which the engagement can be modified or terminated.

Example:

?This engagement may be modified only in writing signed by both parties. Either party may terminate the engagement upon written notice.?

Purpose: Provides flexibility and legal clarity.
