Through its lyrical prose and vivid storytelling, the book provides both a personal coming-of-age story and a broader commentary on societal transformation.

Introduction to *In the Castle of My Skin*

George Lamming's *In the Castle of My Skin* was first published in 1953 and is considered a cornerstone of Caribbean literature. The novel's title evokes imagery of internal fortresses, suggesting themes of psychological resilience and the barriers erected by social and racial divisions. Set in a fictitious Caribbean island, the story follows a boy named Thacker, who navigates the tumultuous transition from childhood innocence to the awareness of social realities and racial tensions that define post-colonial life.
