Understanding Blackout Poetry and Its Therapeutic Roots

What Is Blackout Poetry?

Blackout poetry, also known as erasure poetry, involves taking existing texts—such as old books, newspapers, or magazines—and creating poetry by highlighting certain words while blacking out or erasing others. The remaining words form a new, often poignant or poetic message. This art form emerged as an accessible, creative outlet for artists and writers seeking to challenge traditional notions of poetry and storytelling.

Historical Context and Artistic Origins

Blackout poetry gained popularity in the early 21st century, propelled by artists like Austin Kleon and others who used the technique to craft visual poetry.
